

POSTER DISPLAY DIMENSIONS

Mainstage

43" wide by 76" tall

The Mainstage poster display is on Santa Monica Blvd. If your show is running for at least two weeks, lamination or a UV coating (which is generally standard anyway) is recommended. The poster is behind glass, but there is sun exposure.

Mainstage Lobby Board

33" wide by 38" tall

The lobby board display is in the box office lobby. You can do a single poster at this size, or if you prefer, you can use this display for headshots with or without a smaller poster such as an 11"x17".

Backstage

33" wide by 53" tall

The Backstage show poster must be mounted on foam core. This poster goes in the poster box display on Hudson Avenue. We will be unable to install this poster if it isn't mounted on foam core.

Backstage Lobby Board

33" wide by 53" tall

This poster should be mounted on foam core. It goes in the lobby display to the left of the entrance of the stage door (near the restrooms). You can do a single poster at this size, or if you prefer, you can use this display for headshots with or without a smaller poster such as an 11"x17".

Guild

49" wide by 73" tall

This poster goes into a frame inside the entrance to the Guild and is visible from Santa Monica Blvd.

Guild Lobby Board Poster

33" wide by 38" tall

The lobby board display is in the box office lobby. You can do a single poster at this size, or if you prefer, you can use this display for headshots with or without a smaller poster such as an 11"x17".
